# Service - Clean Rooms Doors

## MOD 504PS1-2

The service, office and clean room doors MOD 504PS1-2 are absolutely leakproof for pharmaceutical companies, hospitals, with polyurethane insulation, single and double leaf, with lock and stainless handle with U shape. Contemporary design and aesthetics, soundproofing and thermal insulation doors.

### Standard

Plastified sheet

### Optional

Stainless steel sheet

- Stainless steel handle mechanism in U-shape.
- Lock & hinges.
- Modern design and construction for soft, easy and noiseless closing without problems.
- Single section (monoblock) door.
- Polyurethane insulation thickness of 40 mm from Germany.
- Aluminum perimetral door frame with counter frame system that embraces each panel thickness. In accordance with HACCP standards. EASY-PASS (quick & easy assembly).
- Door surface made from German steel sheets 30% thicker than the competition, plasticized to a thickness of 200 µm with Sanisteel® film coating with antibacterial properties.
- Aluminium perimetric door frame, placed against the structure.
- Border gaskets of german origin, insulating properties with Beehive cells and perfect adhesion.
- Five year written guarantee.
- Wide colour range.
